Can you send me the final work plan? I just want to be sure that I have the right one. I'll then send to Martin for posting after 2:00.

Ben and Chris,

Here is the Comm Plan with the final schedule for Monday. The congressional call and then the AG call come first. Ben: you and Brad would begin calls after 3:00 p.m. Monday. Don't schedule them in advance. Martin should be ready for posting the work plans after 2:00. Please make sure to get the *final* work plans from superfund.
